MEMORANDUM FOR THE RECORD

SUBJECT: Action on Five EIC Subcommittees.

1. [REDACTED] phoned me on 7 July 1965 to ask about our reaction with regard to the five subcommittees which DOD suggested be abolished. I told him that ORR was not opposed to this suggestion and that the matter was discussed briefly at the EIC meeting of 30 June 1965.
2. I also advised Ted that it was considered advisable to hold action on the five SCs and consider their abolition in the context of a thorough review of the whole EIC substructure. We would hope to do this as soon as possible.
3. Ted thought this would provide a suitable answer for him to make to EPAM.
